

Appendix 'V'

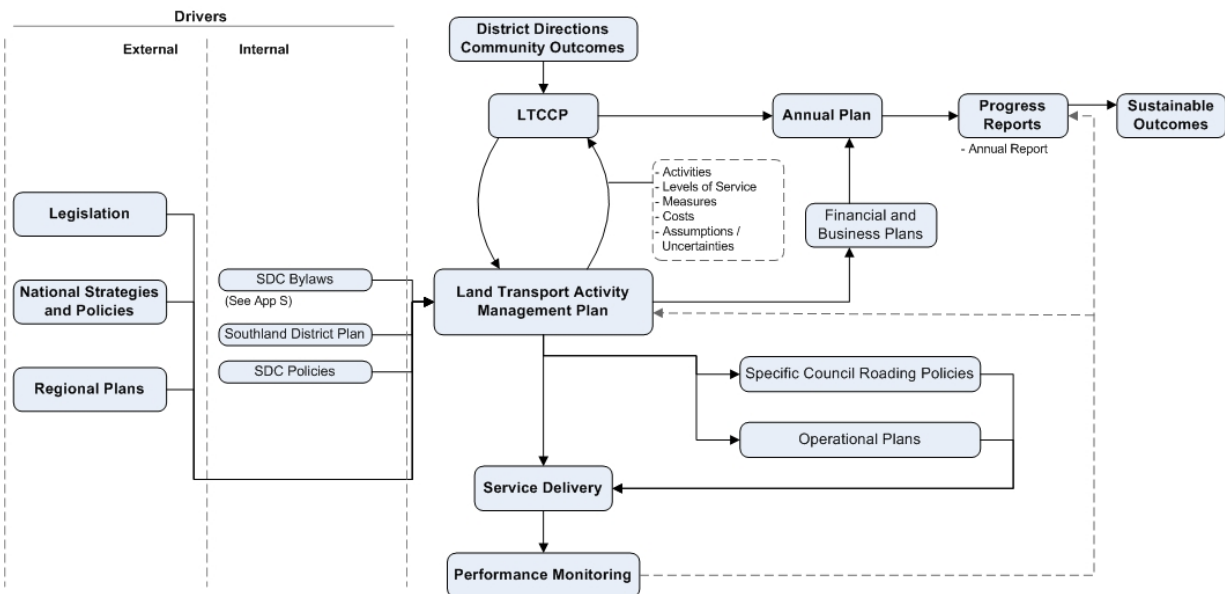

The Legislative and Other Requirements Relating to this Activity, and Relationships with Other Planning Documents and with Other Organisations

Appendix 'V' includes:

Attachment 'A'	Legislative and Planning Documents that Apply To the Land Transport Authority	Page 3
Attachment 'B'	Organisations and Other Bodies that the Council Works With Relating to the Land Transport Activity	Page 9

1. Transport Activity Wiring Diagram

Transport activity achieves sustainable outcomes by giving effect to national transport objectives and local community priorities. The following diagram illustrates the influence and information flow between legislation, community outcomes, the LTCCP, council processes and transport activities.

2. Legislative and Policy Documents

A list of key legislative and policy documents that apply to the land transport activity is in Attachments 'A'.

3. External Parties

A list of the organisations and bodies that the Council works with relating to the land transport activity is in Attachment 'B'.

4. Issues

- Risk to model from changing legislation and world affairs.
- New District Plan impact on LOS.

5 Future Action and Improvements

Schedule Future Improvement Priorities

Ref. No.	Item	Appendix Relative Urgency						Comments
		1	2	3	4	5	6	
V1	New District Plan impact on LOS		✓					Being rewritten - improve LOS / Commissioning
V2	IRM adoption			✓				Underway - reliability plus – refer R20
V3	Engineering lifelines			✓				Legislative obligations and asset protection
V4	Financial contributions		✓					Link to LTCCP / District Plan / consultation process
V5	Risk to model from changing legislation and world affairs						✓	To monitor. Issue that will affect expected outcomes of Plan
V6								
V7								
Etc								

Key:

- 1 = Extremely urgent (needs to be addressed now)
- 2 = Very urgent
- 3 = Urgent
- 4 = Reasonably or fairly urgent
- 5 = Not urgent
- 6 = A good idea for some time in the future

Attachment 'A'

Legislative and Planning Documents that Apply to the Land Transport Activity

Relevant Legislation

Legislation	Purpose
Local Government Act 2002 Local Government Act 1974 (retained sections) Land Transport Management Act 2003 Land Transport Management Amendment Act 2008	Various
Construction Contracts Act and Commerce Act	Contract law.
Health and Safety in Employment Act	Responsibilities and liabilities of people and organisations regarding health and safety.
AS/NZS 48901:2001 – Occupational Health and Safety Management Systems – Specification with guidance for use	Specifies requirements for an occupational health and safety management system.
