

6.3 RIVERS AND STREAMS REQUIRING ESPLANADE MECHANISMS

as prepared by the Southland Fish and Game Council - 1993

This Schedule cross references with Rule FIN.6 at Page 99.

	WATERWAY	LOCATION	COMMENT	OVERALL RANKING
1	Acton	Below Mossburn-Five Rivers Rd	Pleasant Stream Suited To Picnics, Casual Fishing	Medium
2	Aparima	Above Jacobs River	Largely Natural Attractive Angling River	High
3	Aparima	Ham. Burn To Wreys B	Moderate Use But High Quality Fishery	High
4	Aparima	Wreys Bush To Thorn	Some Water Quality Problems, Popular Trout Fishing And Duck Hunting	High
5	Aparima	Thorn To Riverton	Very Good Trout Fishing, Duck Hunting, Whitebaiting	High
6	Braxton Burn	Full Length	Very Popular Small Stream Trout Fishery	High
7	Cromel	Below Mossburn-Five Rivers Rd	Small Stream, Pleasant Casual Fishery	Medium
8	Dipton Stream	Below Camp	Popular Small Stream Fishery	Medium
9	Dipton Stream	Above Camp	Some Stream Restoration Work Done, Potential For Improvement	Medium
10	Dunsdale	Full Length	A Very Good, And Popular Small Stream Trout Fishery	High
11	Dunton	Full Length	Important Spawning Stream	Medium
12	Eglinton	Full Length	Mostly In National Park, Game Hunting For Canada Geese Only	High
13	Ewe Burn	Full Length	Good Trout Spawning Available	Medium
14	Eyre Creek	Full Length	Attractive Stream In Scenic Surroundings	Medium
15	Flaxy Creek	Hillside Rd Down	Spring Fed Stream, Stable Flows, Potential For Improvement	Medium
16	Hamilton Burn	Full Length	Popular Fishery But Mediocre Water Quality	High
17	Home Creek	Below Nursery	Popular With Locals, Good Quality Fishery, Access Not Secure	High
18	Home Creek	Above Nursery	High Quality Trout Fishery, Practical Legal Access Not Secure	High
19	Irthing	Below Mossburn-Five Rivers Rd	Small Stream, Pleasant Casual Fishery	Medium
20	Lillburn	Full Length	Once Popular But Declining In Use, Some Good Trout Fishing Available	Medium
21	Lora	Full Length	A Popular Small Stream Trout Fishery	Medium
22	Makarewa	Above SH 6 Bridge	Straightened For Farming Purposes, Some Potential For Restoration	Medium
23	Makarewa	Below SH 6	Popular Fishery And Hunting Area But Poor Water Quality	Medium
24	Mararoa	Below Key Bridge	Very High Quality Rainbow And Brown Trout Fishery	High
25	Mararoa	Above North Lake	Upstream Of Park Land Tenure Uncertain, Needs Legal Public Access	High
26	Mararoa	Above Key Bridge	High Quality Brown and Rainbow Trout Fishery, Berm Fenced, DOC Land	High
27	Mataura	Above Parawa	Very High Quality Brown Trout Fishery	High
28	Mataura	Parawa To Ardlussa	Very Good Trout Fishery, Some Problems With Access	High
29	Mataura	Ardlussa To Gore	High Quality Trout Fishery, Access Points Limited	High
30	Mataura	Mataura To Sea	Poorer Water Quality, But High Use Area, Legal Access Insecure	High
31	Meadow Burn	Below Pyramid Br Rd	No Legal Public Access, Very Good Small Stream Trout Fishery	High
32	Mimihau	Above Waiarikiki	Very Good Small Stream Fishery With Much Natural Vegetation Intact	High
33	Mimihau	Below Waiarikiki	Good Small Stream Trout Fishery, Water Quality Relatively Poor	Medium
34	Mokoreta	Full Length	Good Quality Trout Fishery, Very Popular With Locals	High
35	Monowai River	Full Length	Hydro Power Requirements Cause Severe Flow Fluctuations	Medium
36	Morley	Full Length	Good Small Stream Trout Fishery	Medium
37	Murray Creek	Full Length	Spring Fed Stream, No Legal Public Access	Medium
38	Nokomai	Full Length	Important Trout Spawning Stream, Some Fishing Available	Medium
39	Orauea	Full Length	Potentially Very Good Trout Fishery, Poor Water Quality	Medium
40	Oreti	Above Weydon Burn	Very High Quality Trout Fishery	High
41	Oreti	Weydon Burn To Elbow	Very Popular, High Quality Fishery, Legal Access Reasonable	High
42	Oreti	Elbow To Wallacetown	Severe Problems With Access Between Winton And Wallacetown	High

	WATERWAY	LOCATION	COMMENT	OVERALL RANKING
43	Oreti	Wallacetown To Sea	Very Popular, High Use Area For Many Types Of Recreation	High
44	Otakau	Full Length	Important Whitebait Fishing And Habitat	Medium
45	Otamita	Above Gorge	Very Good Small Stream Trout Fishery	High
46	Otamita	Below Gorge	Good Small Stream Fishery, Some Duck Hunting	Medium
47	Otapiri	Gorge and Taylors Ck	Very Popular Small Stream Trout Fishery	High
48	Otapiri	Gorge To Tanner Rd	Good Trout Fishery, Old Podocarps, Kowhai And Ribbonwoods Present	Medium
49	Parawa Creek	Full Length	Excavated Every 2-3 Years, Good Potential To Recover	Medium
50	Pourakino	Full Length	Most Popular In Lower Reaches, Very Good Whitebait Fishery	Medium
51	Retford	Full Length	Good Small Stream Fishery, No Legal Public Access	Medium
52	Thomas, Lake	Full Length	Very Popular Fishery, Problems With Access	High
53	Titiroa	Below Gates	Very Important Whitebait Fishery	Medium
54	Upukerora	Above Coal Pit Flat	Natural Stream In DOC Land But Access To It A Problem	High
55	Upukerora	Below Coal Pit Flat	Good Trout Spawning And Fishing, Legal Access To Upper Reaches Poor	High
56	Waiau	Upper	In National Park Or DOC Land But Access Needs To Be Protected	High
57	Waiau	Below Mararoa Weir	Good Trout Fishing And Game Bird Hunting, Access Poor, Flows Vary	High
58	Waikaia	Full Length	Very High Quality Trout Fishing River	High
59	Waikaka	Full Length	Mid And Lower Reaches Poor Water Quality, Good Game Bird Hunting	Medium
60	Waimatuku/Middle Ck	Full Length	No Legal Public Access, Large Density Of Trout, Close To Invercargill	High
61	Waimea River	Full Length	Severely Modified By Farming Practises, Potential For Recovery	Medium
62	Wairaki	Below Pylons	Moderately Used But Good Quality Trout Fishery	High
63	Wairaki	Above Pylons	Highly Valued Fishery, Access Reliant On Good Will Of Station Owners	High
64	Waituna Stream	Full Length and Tribs	Important Brown Trout Spawning Stream	Medium
65	Weydon Burn	Below Fence	Good Trout Fishing Available In Lower Reaches	Medium
66	Whitestone	Above SH 94 Bridge	Legal Access To Middle And Upper Reaches Not Secure	High
67	Whitestone	Below SH 94	River Works Reduced Fisheries Values, High Potential For Recovery	Medium
