

POLICY: **INFRINGEMENT NOTICES FOR NOISE CONTROL**

GROUP RESPONSIBLE: Regulatory Services

DATE APPROVED: 26/4/01

DATE AMENDED:

FILE NO: 30/3/18/10, 300/30/8

POLICY DETAIL:

Infringement Notices for Noise Control will be utilised in the following situations:

- (a) When the Enforcement Officer believes there is a risk to his safety in enforcing an excessive noise direction.
- (b) When dealing with repeat noise offenders.
- (c) When there was an ongoing noisy activity occurring adjacent to residential activities without having obtained a resource consent, and where the person undertaking the activity had been advised that a resource consent was required but had not made an application for this consent.
